

DAEWOO
POWER PRODUCTS

KOREAN
TECHNOLOGY

GASOLINE GENERATOR

GDA3050E

Rated Power **2.0 KW (50 HZ)**
Max Power **2.2 KW (50 HZ)**
Displacement **212 CC**
Fuel Tank Capacity **15 L**
Start System **ELECTRIC**

GDA4650E

Rated Power **2.8 KW (50 HZ)**
Max Power **3.1 KW (50 HZ)**
Displacement **212 CC**
Fuel Tank Capacity **15 L**
Start System **ELECTRIC**

GDA9250E

Rated Power **6.0 KW (50 HZ)**
Max Power **6.5 KW (50 HZ)**
Displacement **420 CC**
Fuel Tank Capacity **25 L**
Start System **ELECTRIC**

GDA11050E

Rated Power **7.5 KW (50 HZ)**
Max Power **7.9 KW (50 HZ)**
Displacement **457 CC**
Fuel Tank Capacity **25 L**
Start System **ELECTRIC**

Product compatibility based on average 120V/240V requirements. Specialized equipment is not guaranteed to work with this product. Consult user manual for information regarding power Consumption requirements to determine safe operation. Do not overload circuit by installing Power bars or outlet multipliers.

Diesel Generators for
residential / commercial / industrial
usage are also available.
