## High Pressure Washer

Need to clean tough surfaces quickly and effectively? Then the DAX105-1400 pressure washer is perfect for you. With 1400W of power and a maximum pressure of 105 bar, this high-pressure washer is ideal for cleaning cars, bicycles, floors, and walls more efficiently and in less time. It also features an auto-stop system that automatically shuts off the pressure washer when you're not using the trigger, saving energy and reducing wear and tear on the machine. Connecting it is very simple, so you can have it up and running in just a few minutes.
