Portable energy storage power station

Product Specifications

Battery Type:	Lithium Iron Phosphate (LiFePO₄)	
Capacity:	Capacity:320000mah 3.2V	
Dimensions:	43.6*33.9*14.2cm	
Net Weight:	10.9kgs	
DC Input:	DC 12V/10A (120W Max)	
AC Output:	230V/4.35A	
AC Output Type:	Pure Sine Wave	
AC Continuous Power:	1000W	
AC Peak Power:	2000W	
Car Charger Output:	DC12V/10A	
DC Outputs:	Supports 12V devices	
USB-C PD Input/Output:	100W (5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A)	
USB1 Output:	5V/3A, 9V/2A, 12V/1.5A	
USB2 Output:	5V/3A	
Maximum Combined Output:	1000W	
What is in the box	1 * Portable Power Bank 1 * Car charging cable 1 * DC Output/Input cable 10 * DC plug conversion adapter 1 * Bag for Accessories 1 * Power adapter 1 * User manual
